Bridgeton City Park is a 350 acre park with a number of amenities and venues including the Cohanzick Zoo, a splash park, miniature golf, walking trails, and the Sunset Lake Amphitheater. City Park hosts thousands of guests and visitors each year and the park is no less a destination during the winter holiday season.

Hundreds of visitors come over the 3-day event to enjoy a winter wonderland of lights and seasonal amenities and this provides a great opportunity for vendors to sell food as well as crafts, to those attending the Festival of Lights.

Vendors interested in possible spring and summer vending opportunities should indicate their interest and availability for the 2018 spring and summer season as well. With over 10,000 visitors to the Splash Park from Memorial Day to Labor Day, Bridgeton City Park can be a great vending opportunity and the City of Bridgeton is working to develop this park amenity in the months ahead.
